MTRS notification—RetirementPlus (R+) online seminar for special election-eligible members only

Dear %%merge members_.FullName_%%,

Please join the MTRS during school vacation week on **Thursday, February 23rd at 9:30 AM** for an invite only online seminar for members *like you* who transferred into the MTRS from one of the other MA public retirement systems between July 1st, 2001 and June 30th, 2022. You are the only MTRS members eligible for the recently enacted RetirementPlus (R+) special election. During this seminar you will learn more about the R+ special election, the importance of responding to it and the resources available to help you estimate potential costs. MTRS representatives will be available to chat live during the session to answer any questions you may have about this special election opportunity.

Register today!

After you register for the seminar we will verify your eligibility for the special election and send you an email with a link and instructions to join online.

The **R+ special election** is for members who transferred into the MTRS between July 1st, 2001 and June 30th, 2022 and is open through June 30th, 2023. You should have received your R+ ballot with your information packet in mid-January. If you have not received your ballot or have misplaced it, please contact us immediately. Members who fail to respond by June 30th, 2023, will **NOT** be enrolled in the R+ program, regardless of their contribution rate.

If you have questions regarding the election or your eligibility, please visit the **RetirementPlus (R+) Resource Center** for details or email us at **RetirementPlus@trb.state.ma.us**.

Please do not forward this invitation; the seminar is only for R+ special election-eligible members.

We look forward to serving you!
