INDEPENDENT AUDITORS' REPORT

Mr. William McNamara, Comptroller
Commonwealth of Massachusetts

Report on the Audit of the Schedules

Opinions

We have audited the accompanying schedule of nonemployer allocations of the Massachusetts Teachers' Retirement System (MTRS) as of and for the year ended June 30, 2025, and the related notes. We have also audited the total net pension liability, total deferred outflows of resources, total deferred inflows of resources, and total nonemployer pension expense (specified columns), included in the accompanying schedule of collective pension amounts of MTRS as of and for the year ended June 30, 2025, and the related notes.

In our opinion, the schedules referred to above present fairly, in all material respects, the nonemployer allocations and ending net pension liability, total deferred outflows of resources, total deferred inflows of resources, and total pension expense of MTRS as of and for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Schedules section of our report. We are required to be independent of MTRS and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Schedules

Management is responsible for the preparation and fair presentation of these schedules in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Schedules

Our objectives are to obtain reasonable assurance about whether the schedule of nonemployer allocations and specified columns included in the schedule of collective pension amounts are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the schedules of nonemployer allocations and specified columns included in the schedule of collective pension amounts.

Mr. William McNamara, Comptroller
Commonwealth of Massachusetts

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the schedule of nonemployer allocations and the specified columns included in the schedule of collective pension amounts of MTRS, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the schedule of nonemployer allocations and the specified columns included in the schedule of collective pension amounts of MTRS.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MTRS' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the schedule of nonemployer allocations and the specified columns included in the schedule of collective pension amounts of MTRS.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the Commonwealth of Massachusetts as of and for the year ended June 30, 2025, and our report thereon, dated April 23, 2026, expressed an unmodified opinion on those financial statements. MTRS is reported as a pension trust fund in the financial statements of the Commonwealth of Massachusetts.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the schedules referred to above. The supplemental schedule of employer allocations of special funding amounts and the supplemental schedule of special funding amounts by employer, which are the responsibility of management, are presented for the purpose of additional analysis and are not a required part of the schedules referred to above. Such information has not been subjected to the auditing procedures applied in the audit of the schedules referred to above, and, accordingly, we do not express opinions or provide any assurance on them.

Restriction on Use

Our report is intended solely for the information and use of MTRS management and its board, MTRS employers and their auditors, and the Commonwealth of Massachusetts, and is not intended to be, and should not be, used by anyone other than these specified parties.

CliftonLarsonAllen LLP

**MASSACHUSETTS TEACHERS' RETIREMENT SYSTEM
NOTES TO SCHEDULES
AS OF AND FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

NOTE 1 - PLAN DESCRIPTION

The Massachusetts Teachers' Retirement System (MTRS) is a public employee retirement system (PERS) that administers a cost-sharing multiple employer defined benefit pension plan, as defined in Governmental Accounting Standards Board (GASB) Statement No. 67, *Financial Reporting for Pension Plans*. MTRS is managed by the Commonwealth on behalf of municipal teachers and municipal teacher retirees. The Commonwealth is a nonemployer contributing entity and is legally responsible for all contributions and future benefit requirements of the MTRS. The MTRS covers certified teachers in cities (except Boston), towns, regional school districts, charter schools, educational collaboratives, and Quincy College. The MTRS is reported as a pension trust fund in the Commonwealth's Annual Comprehensive Financial Report and does not issue a stand-alone audited financial report.

Management of MTRS is vested in the Massachusetts Teachers' Retirement Board (MTRB), which consists of seven members—two elected by the MTRS members, the State Treasurer (or their designee), the State Auditor (or their designee), a member appointed by the Governor, the Commissioner of Education (or their designee), who serves ex-officio as the Chairman of the MTRB and one who is chosen by the six other MTRB members.

Benefits provided. MTRS provides retirement, disability, survivor and death benefits to members and their beneficiaries. Massachusetts General Laws (MGL) establishes uniform benefit and contribution requirements for all contributory PERS. These requirements provide for superannuation retirement allowance benefits up to a maximum of 80% of a member's highest three-year average annual rate of regular compensation. For employees hired after April 1, 2012, retirement allowances are calculated on the basis of the last five years or any five consecutive years, whichever is greater in terms of compensation. Benefit payments are based upon a member's age, length of creditable service, group creditable service, and group classification. The authority for amending these provisions rests with the Legislature.

Members become vested after ten years of creditable service. A superannuation retirement allowance may be received upon the completion of twenty years of creditable service or upon reaching the age of 55 with ten years of service. Normal retirement for most employees occurs at age 65. Most employees who joined the system after April 1, 2012 cannot retire and receive benefit prior to age 60.

The MTRS' funding policies have been established by Chapter 32 of the MGL. The Legislature has the authority to amend these policies. The annuity portion of the MTRS retirement allowance is funded by employees, who contribute a percentage of their regular compensation. Costs of administering the plan are funded out of plan assets.

**MASSACHUSETTS TEACHERS' RETIREMENT SYSTEM
NOTES TO SCHEDULES
AS OF AND FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

Member contributions for MTRS vary depending on the most recent date of membership:

Hire Date	% of Compensation
Prior to 1975.....	5% of regular compensation
1975 - 1983.....	7% of regular compensation
1984 to 6/30/1996.....	8% of regular compensation
7/1/1996 to present.....	9% of regular compensation
7/1/2001 to present.....	11% of regular compensation (for teachers hired after 7/1/01 and those accepting provisions of Chapter 114 of the Acts of 2000)
1979 to present.....	An additional 2% of regular compensation in excess of \$30,000 except for teachers subject to Chapter 114 of the Acts of 2000.

In addition, members who join the system on or after April 2, 2012, will have their withholding rates reduced by 6% after achieving 30 years of creditable service.

NOTE 2 - BASIS OF PRESENTATION

The Schedule of Nonemployer Allocations and Schedule of Collective Pension Amounts (the Schedules) present amounts that are elements of the financial statements of the MTRS and the Commonwealth of Massachusetts as the nonemployer entity. Accordingly, they do not purport to be a complete presentation of the financial position or changes in financial position of the MTRS or the Commonwealth of Massachusetts. The amounts presented in the Schedules were prepared in accordance with U.S. generally accepted accounting principles. Such preparation requires management of the MTRS to make a number of estimates and assumptions related to the reported amounts. Actual results could differ from those estimates.

NOTE 3 - SPECIAL FUNDING SITUATION

The Commonwealth is a nonemployer contributing entity and is required by statute to make all actuarially determined employer contributions on behalf of the member employers. Therefore, these employers are considered to be in a special funding situation as defined by GASB Statement No. 68, *Accounting and Financial Reporting for Pensions* and the Commonwealth is a nonemployer contributing entity in MTRS. Since the employers do not contribute directly to MTRS, there is no net pension liability to recognize for each employer. However, the notes to the financial statements must disclose the portion of the nonemployer contributing entities' share of the collective net pension liability that is associated with the employer. In addition, each employer must recognize its portion of the collective pension expense as both a revenue and pension expense.

**MASSACHUSETTS TEACHERS' RETIREMENT SYSTEM
NOTES TO SCHEDULES
AS OF AND FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

NOTE 4 - COLLECTIVE NET PENSION LIABILITY

The collective net pension liability on June 30, 2025 was as follows (amounts in thousands):

Total pension liability.....	\$ 67,300,000
Less:	
Plan fiduciary net position.....	<u>44,315,497</u>
Net pension liability.....	<u>\$ 22,984,503</u>
Plan fiduciary net position as a percentage of total pension liability.....	<u>65.85 %</u>

Actuarial Assumptions

The total pension liability for the June 30, 2025 measurement date was determined by an actuarial valuation as of January 1, 2025 rolled forward to June 30, 2025, using the following actuarial assumptions:

1. (a) 2.5% inflation rate (b) 7.00% investment rate of return/discount rate; (c) 5.44% discount rate for LDROM only; (d) 3.5% interest rate credited to the annuity savings fund; and (e) 3.0% cost of living increase on the first \$13,000 of allowance per year.
2. Salary increases are based on analyses of past experience but range from 4.00% to 7.50% depending on group and length of service.
3. Mortality rates were as follows:
 - Pre-retirement – reflects SOA Pub-2010 Teachers Employees mortality table (headcount weighted) projected generationally with Scale MP-2021 (gender distinct).
 - Post-retirement – reflects SOA Pub-2010 Teachers Retirees mortality table (headcount weighted) projected generationally with Scale MP-2021 (gender distinct).
 - Disability – assumed to be in accordance with the SOA Pub-2010 Teachers Retirees mortality table (headcount weighted) projected generationally with Scale MP-2021 (gender distinct).
4. Experience study was performed as follows:
 - Dated July 21, 2014 and encompasses the period January 1, 2006 to December 31, 2011, updated to reflect actual experience from 2012 through 2020 for post-retirement mortality.

Investment assets of the MTRS are with the Pension Reserves Investment Trust (PRIT) Fund. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future rates of return by the target asset allocation percentage. Best estimates of geometric rates of return for each major asset class included in the PRIT Fund's target asset allocation as of June 30, 2025 are summarized in the following table:

**MASSACHUSETTS TEACHERS' RETIREMENT SYSTEM
NOTES TO SCHEDULES
AS OF AND FOR THE FISCAL YEAR ENDED JUNE 30, 2025**

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Global Equity.....	36.0%	4.9%
Core Fixed Income.....	15.0%	2.6%
Private Equity.....	16.0%	7.7%
Portfolio Completion Strategies..	10.0%	4.1%
Real Estate.....	10.0%	4.1%
Value Added Fixed Income.....	9.0%	5.3%
Timberland/Natural Resources..	4.0%	4.1%
Total.....	<u>100.0%</u>	

Discount Rate

The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rates and the Commonwealth's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rates. Based on those assumptions, the net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity Analysis

The following illustrates the sensitivity of the collective net pension liability to changes in the discount rate as of June 30, 2025. In particular, the table presents the MTRS collective net pension liability assuming it was calculated using a single discount rate that is one-percentage-point lower or one-percentage-point higher than the current discount rate (amounts in thousands):

1% Decrease to 6.00%	Current Discount Rate 7.00%	1% Increase to 8.00%
<u>\$ 30,608,000</u>	<u>\$ 22,984,503</u>	<u>\$ 16,537,000</u>

**MASSACHUSETTS TEACHERS' RETIREMENT SYSTEM
NOTES TO SUPPLEMENTAL SCHEDULES
AS OF AND FOR THE FISCAL YEAR ENDED JUNE 30, 2025
(UNAUDITED)**

NOTE 1 - SCHEDULE OF EMPLOYER ALLOCATIONS OF SPECIAL FUNDING AMOUNTS

The Supplemental Schedule of Employer Allocations of Special Funding Amounts shows the total Commonwealth support provided to the employers for the year ending June 30, 2025. The total of Commonwealth provided contributions has been allocated based on the ratio of each employer's covered payroll to the total covered payroll (approximately \$9,343,695,000) of employers in MTRS as of the measurement date of June 30, 2025. The Supplemental Schedule of Employer Allocations of Special Funding Amounts is included to provide employers with their calculated proportionate share that will be used to recognize pension expense and revenue and to disclose the proportionate share of the collective net pension liability.

NOTE 2 - COMPONENTS ON SCHEDULE OF SPECIAL FUNDING AMOUNTS BY EMPLOYER

Commonwealth's Proportionate Share of the Net Pension Liability Associated with the District

The Commonwealth's proportionate share of the net pension liability associated with each employer is equal to the collective net pension liability multiplied by the employer's proportionate share percentage for the fiscal year ending June 30, 2025, as shown in the Supplemental Schedule of Employer Allocations of Special Funding Amounts.

Employer Pension Expense and Revenue from Commonwealth Support

Employers in a special funding situation are required to recognize pension expense and revenue for the support provided by the nonemployer contributing entity (the Commonwealth). All employers in MTRS are special funding situations with employer contributions paid by the Commonwealth. The amount reported in the Employer Pension Expense and Revenue from Commonwealth Support Column are calculated for each participating employer by multiplying the collective pension expense by the allocation percentage as shown in the Supplemental Schedule of Employer Allocations of Special Funding Amounts.
